OUR VISIONARY LEADER
FOUNDER & CHAIRMAN
MADHAV UNIVERSITY
DR. PROF. (DR.) RAJ KUMAR

With a vision to provide higher education to the down trodden youths of the society in the Tribal area I selected the area in the district Sirohi of Rajasthan and established the University. Establishing a centre for higher learning for providing academic and professional excellence in the field of social, technological, business and well being needs of the Society, somehow fulfill my vision.

The mission of Madhav University is to offer quality education supported by world-class infrastructure. We are committed to providing state-of-art facilities, modern classrooms and cutting-edge technology to enhance the learning experience. Our infrastructure is designed to facilitate research, innovation and practical skill, development, ensuring that students are well-equipped for success in their chosen fields. Working as a Chairman of Madhav University a unique opportunity and a challenge has come before me to meet the aspirations and expectations of all stake holders in the functioning of the university. The students are being groomed to not only become highly professionals but also good human beings. Our course on life skills has been very well received by the students and is helping them achieve "Excellence in Life".

The increasing number of students every year is a testimony to the superior quality of skill as well as outcome based teaching. The University uses state of the art technology for administrative efficiency at the level of admission, examination, declaration of results etc. University is proud of its team of teaching, non-teaching and other supporting staff who are passionately providing the best of cooperation to the students. I on behalf of the University invite the prospective students and their parents to visit the campus to interact with our highly qualified faculty to know more about the courses as well as for career counseling and free-ship etc. being provided to the poor and deserving students.

MESSAGE
CHAIRPERSON / CHANCELLOR
MR. HIMMAT SINGH DEVOL

Madhav University is a culmination of a decade-long journey of learning, growth, and achievement of an educational Institution that has successfully cultivated an environment, promoting physical, mental, and spiritual well-being among the people of our nation. The vast energy of our youthful Nation, having more than 50% of its population below the age of 25 years, is finding creative outlets in various fields such as entrepreneurship skills, governance and in education specially the professional courses. Considering the importance of Higher Education and the trained human resources, Madhav University was established in 2013 with a pro-poor, pro-women and pro-nature approach which aims to educate and train the youth of our country with an entrepreneurial mindset, raising their socio-economic conditions, particularly in the tribal and rural communities of Rajasthan and the country.

Surrounded by lush green Aravali Hill Ranges and alongside the Banas River, Madhav University has become a beacon of learning excellence, achieving global standards in education, research, and innovation. With state-of-the-art infrastructure, innovative curricula aligned with the National Education Policy-2020, and student-centered learning methods, Madhav University remains at the forefront in education at the national and International level. We understand our responsibility to our students and society, firmly believing that the academic success of our youth is crucial for the progress and sustainability of a society. Joining us means becoming part of an institution designed for both the young and the young at heart, contributing to the nation's development where every individual commands self respect and respect for each other. Together, let's join hands for this rewarding journey beyond the social, economic, and geographical boundaries to transform the lives of diverse students academically, professionally and socioeconomically, and to grow as responsible citizens and better human beings, live a novel life, love their country and be loyal to the nation.

As the Chancellor of Madhav University, I am resolute to elevate this institution to a world-class center for excellence in learning, providing quality education with human values and professional ethics.

MESSAGE
PRESIDENT / VICE CHANCELLOR
PROF. (DR.) RAJEEV MATHUR
